Hi, we think that there is not much point in having the call tomorrow as we will not be able to get you a revised redline by that time. If you have matters to discuss, we do remain available and are happy to speak. In any event, it would make sense to set up a call for when Robby returns and, if possible, we will send out the CD to Jon when it is ready, even in Robby's absence. Please suggest a time and date for another call. Peter
